The Honorable Anthony S. Earl
Governor, State of Wisconsin
State Capitol
Madison, Wisconsin 53702

Dear Governor Earl:

I am pleased to submit to you the 115th annual report of the Commissioner of Insurance covering business for the year 1983.

Two issues have been dominant in our office in 1983. The first is health care cost containment and the second is a variety of matters relating to the insolvency of the Baldwin-United Corporation and its insurance affiliates. Both of these issues are discussed in more detail in this report.

I hope this report provides useful information to you and the people of Wisconsin.

Sincerely yours,

Thomas P. Fox

I - ADMINISTRATION OF THE OFFICE

ORGANIZATIONAL STRUCTURE

The Office is divided into two major divisions; the Division of Regulation and Enforcement and the Division of Administrative Services. A brief description follows:

I. Commissioner's Staff

The Commissioner's staff includes the deputy commissioner who serves as the head of the agency in the Commissioner's absence and administers the Division of Administrative Services; the administrator of the Division of Regulation and Enforcement; the staff counsel and the secretaries to the Commissioner, Deputy Commissioner and legal counsel; and the Office of Policy Analysis.

The Office of Policy analysis is comprised of analysts who provide the commissioner and other agency personnel with technical expertise and analysis of policy issues, legislative analysis and planning, and direct the public information program of the agency.

II. Division of Regulation and Enforcement

Bureau of Rates and Forms. This bureau is responsible for reviewing the rates, forms and contracts filed with the agency by insurers; determining compliance with applicable laws and rules; initiating appropriate administrative actions; examining insurer rating procedures, advertising files and policyholder reserves; and staffing several risk sharing plans established by statute.

Bureau of Complaints and Market Conduct. This bureau provides assistance to consumers in resolving problems with insurers and agents; disseminates information to the public; investigates agent activities; conducts field reviews of insurer marketing practices; prepares enforcement proceedings; and prosecutes offenders.

Bureau of Financial Examinations. This bureau monitors the financial solvency of insurers licensed to do business in Wisconsin. It conducts field audits of domestic insurer operations; administers insurer rehabilitations and liquidations; audits and collects insurer taxes and fees and collects and administers the fire department dues program.

III. Division of Administrative Services

Bureau of Staff Services. This bureau is responsible for all general administrative functions of the agency including the administration of the insurance intermediaries testing and licensing program, centralized word processing, data processing, budget, personnel and clerical support services.

Bureau of Funds. This bureau consists of the three segregated funds for which this agency has administrative responsibility: the Local Government Property Insurance Fund, the State Life Insurance Fund and the Patients Compensation Fund.

The Property Insurance Fund offers property insurance protection to qualified local government units.

The State Life Insurance Fund offers life insurance to Wisconsin residents in amounts not exceeding $10,000 per person.

The Patients Compensation Fund provides medical malpractice protection to health care providers for claims in excess of $200,000 per claim or $600,000 per year.

II - EXECUTIVE ACTIONS

LEGISLATION

The following Acts of the 1983 Legislative Session affecting insurance had been enacted by March 19, 1984. A change in nomenclature is involved — "Acts" were designated as "Chapters" in previous reports on legislation.

Act 27 — This, the 1983-84 executive budget bill, contains several provisions which have an impact on insurance sold in Wisconsin, particularly health insurance.

Tax incentives and inducements are used to encourage employers who provide self-funded health plans to employes to comply with s. 632.897, Stats., to provide continuation and conversion benefits to persons whose group insurance was terminated. Tax incentives and inducements are also included in the act to encourage employers with 250 or more employes to provide a choice of two or more health plans, including a health maintenance organization or preferred provider organization, if available. These requirements as they apply to self-funded plans were effectively nullified by subsequent court action.

The Health Insurance Risk-Sharing Plan was modified to eliminate the provision for self-sufficiency; to permit rates up to 150% of standard rather than the previous 130%; to increase the maximum annual out-of-pocket expenses; to extend the waiting period on pre-existing conditions; to exclude coverage for persons whose premium is paid by a governmental agency and to exclude coverage for experimental treatment.

Preferred provider plans and organizations and health maintenance organizations are allowed to operate with closed panels providing certain conditions are met.

Health insurers may not reimburse hospitals at a greater rate than that established by the rate-setting commission.

Continuation and conversion requirements for group hospital medical expense policies in s. 632.897 will apply to out-of-state groups with more than 150 insureds in Wisconsin, and the time for which a person is permitted to continue on a group policy before being required to convert to an individual policy is extended from 12 to 18 months.

Changes are made to allow for contracting for services for the operation of the Patients Compensation Fund.

The retaliatory and reciprocal taxation statutes are amended so that they do not apply to special purpose obligations or assessments in connection with particular kinds of insurance except as specifically provided by statute.

The Wisconsin Health Care Liability Insurance Plan was required to pay a 2% assessment to the department of administration.

Provision is made for a study by the department of health and social services in cooperation with the office of the commissioner of insurance and the university of Wisconsin system of provisions for technical assistance and training programs for managers of PPOs and HMOs and the initiation of a loan or grant program to assist HMOs in start-up costs.

Act 34 — modifies the minimum liability insurance requirements for taxicabs.

Act 36 — a revisor's bill which makes changes in s. 625.13 (2) and s. 632.895 (7).

Act 90 — requires that state agencies give special consideration for small businesses in rule making.

Act 91 — relates to the department of development establishing and operating a permit information center and specifying agency rule making and other responsibilities which are to be coordinated with the functions of that center.

Act 98 — makes various changes in the worker's compensation laws — the advisory council's recommendations.

Act 120 — miscellaneous changes were made affecting the Insurance Security Fund and transactions with affiliates, as follows:

Non-coverage by the Fund of non-guaranteed provisions of annuities and life insurance contracts or risk retention groups was clarified; flat assessments for administrative expenses is permitted; board authority to control and invest assets is clarified; non-coverage of claims for nonresidents insured by nondomestic insurers is specified; waiver of the $200 deductible and coordination of benefit provision on claims is permitted; provides that the $300,000 maximum claim limit is an aggregate obligation of the fund; the right to increase premiums on policies is spelled out; the computation of assessments against insurers is clarified; the transfer of assets from one fund to another is authorized; cross-reference changes are made; provision is made for liquidation of the temporary worker's compensation insurance security fund; health maintenance organizations not organized under Chapter 611 are excepted from the scope of Chapter 646; provision is made that the current value of loss claims for annuities will include interest to date of payment; provision is made for the appeal of the validity of an assessment, and the authority of the Commissioner of Insurance to disapprove the payment of extraordinary dividends by domestic insurers is clarified.

Act 133 — requires protective headgear for motor-driven cycle passengers under age 18.

Act 158 — relates to changes in mandatory health care liability risk-sharing plans, creates a patients compensation panels fund and revises procedures. The changes allowed the Board of Governors to return excess premiums collected by the Wisconsin Health Care Liability Insurance Plan through rate decreases or refunds and provides for a reasonable surplus requirement. The principal changes with respect to the Patients Compensation Fund are changing the fee basis for Patients Compensation Panel operation; creating a segregated fund for operation of Patients Compensation Panels; increasing mandatory insurance coverage to $200,000/$600,000; prohibiting any requirement that the Patients Compensation Fund post an appeal bond; strengthening the current statutory requirement that any award above $1,000,000 be paid out at a rate of $500,000 per year; requests a legislative council study of the health care providers professional liability and patients compensation provisions of section 619.04 and Chapter 655 of the statutes and related statutes and common law.

ADMINISTRATIVE RULES

Changes made in 1983 in the Wisconsin Administrative Code applicable to insurance are described below.

Ins 2.08 Special policies and provisions; prohibitions, regulations and disclosure requirements.

The introductory paragraph of subsection (4) (b) of this rule was amended to provide an exception to that portion of the rule relating to any policy containing a series of one-year pure endowments which establishes prohibitions, regulations and disclosure requirements for those policies. A policy form submitted to the office in mid-1983 for review and approval had been developed for sale to a limited market as a funding mechanism for gifts to corporations without profit. One-year pure endowment benefits are included in the form, but the separate premium and other disclosure requirements of subsection (4) (b) have not been met. The insurer requested that Ins 2.08 (4) (b) be modified to permit approval of the form. The limited and controlled marketing of such policies suggested that they could be exempted from the provisions of Ins 2.08 (4) (b) because they are consistent with the public interest and do not interfere with the fair and honest life insurance market and such is the intent of the amendment. Effective 2/1/84.

Ins 3.48 Preferred provider agreements.

A hearing was held March 16, 1983, to determine if preferred provider agreements should be exempt from the application of s. 628.36 (2), Stats., in order to allow innovative approaches to the delivery of health care and to consider the creation of Ins 3.48 relating to preferred provider agreements for the delivery of health care. The proposed rule was not adopted.

Ins 4.01 Interpretation and implementation of s. 632.05 (2), Stats.

Subsection (2) (f) provided that a single-family condominium unit should be treated as a dwelling under s. 632.05 (2), Stats. That statute provides that whenever a policy insures real property owned and occupied by the insured as a dwelling and the property is wholly destroyed, the amount of the loss shall be taken to be the policy limits of the policy insuring the property. Further review of the insurance coverage of condominiums indicated that there is very little that the condominium unit owner owns by himself. Each unit owner is a joint venturer with the rest of the condominium unit owners in the entire project. Because the ownership of a condominium does not appear to fit within the definition of s. 632.05 (2), Stats., paragraph (f) of s. Ins 4.01 (2) was repealed. Effective 4/1/83.

Ins 4.10 Wisconsin Insurance Plan.

The first major revision in this rule since it was adopted in 1970 was made in 1983. Minor items that no longer apply were deleted, conflicts between subsections of the rule were eliminated and major features were added to bring the plan up to the current "state of the art" for property assigned risk plans.

The minor revisions included deleting reference to servicing company and non-servicing company, dropping glass insurance from the plan and revising the definition of a governing committee quorum from eight insurers to eight members of the committee.

Five major additions were made to the rule. Standards for defining who may apply for insurance by the plan are now included in the rule. Previously the rule was too vague and did not contain adequate criteria concerning who was eligible to apply to the plan.

Procedures that must be followed to cancel or nonrenew were added. A new subsection captioned policyholder rights now provides that the plan shall cancel all insurance contracts in accordance with the general statute which applies to cancellation of insurance contracts, s. 631.36, Stats.

The appeal procedures for a policyholder who has been cancelled or nonrenewed are now clearly outlined in the policyholder rights section. The rule also provides for the continuation of insurance during the appeal and includes a timetable which states how soon a hearing must be held and how much time the commissioner has to issue an order.

A take-out program has been included in the rule. This requires that the plan review risks for eligibility for coverage in the voluntary market.

Underwriting criteria have been written into the plan rules. This places clearly defined underwriting rules in one document so that there is no confusion about the criteria. Effective 9/1/83.

Ins 6.20 Investments of insurance companies.

Early in 1983 it was discovered that paragraph (f) of s. Ins 6.20 (8) was dropped during the printing of amendments in 1981. That portion of the rule was reprinted in March, 1983, to correct the inadvertent printing error.

At the same time, the statutory reference in subsection (9) was amended to include reference to s. 620.22 (9), Stats. This was needed because of the change in Chapter 279, Laws of 1979.

Ins 6.25 Joint Underwriting and Joint Reinsurance Associations.

The report in last year's Wisconsin Insurance Report incorrectly described the change in Ins 6.25 by the creation of subsection (2) (f) as being effective 9/1/82. A hearing was held May 28, 1982, to consider creating subsection (2) (f) to add certain types of commercial property insurance to the lines of insurance made exempt from s. 625.33, Stats., but the creation of the new paragraph did not become effective until February 1, 1983.

Section Ins 6.25 exempts certain insurers and organizations from the requirements of s. 625.33, Stats., with respect to joint underwriting and joint reinsurance of certain lines of insurance. The creation of subsection (2) (f) made commercial property insurance insuring property damage, business interruption, extra expense, rents and other time element coverage, in an amount not less than $50,000, exempt from that statute. Effective 2/1/83.

Ins 17.28 Health care provider fees.

The fees for health care providers participating in the patients compensation fund are set by the commissioner after approval by the board of governors per s. 655.27 (3), Stats. The actuarial-underwriting committee of the patients compensation fund board of governors recommended that physician's and surgeon's fees be increased an average of 42.2% and that hospital fees be decreased by 5.2%. Those changes resulted in an overall increase in fund fees of 36.6%.

These recommendations were considered at a hearing March 14, 1983, and were adopted to be effective July 1, 1983.

Application of the fee relativity schedule approved after the March hearing resulted in a 341% increase in fees for some podiatrists. The board reevaluated this increase and on July 12, 1983, at the recommendation of the board's actuarial committee voted to lower the fees for surgical podiatrists and residents in post-graduate podiatric medical education.

Paragraph (i) of s. Ins 17.28 (6) was amended to make those reductions. Effective 9/1/83.

Ins 18.07 Coverage (Health Insurance Risk-Sharing Plan).

The commissioner of insurance is authorized to set premiums for the health insurance risk-sharing plan by rule based on all available data. The actuarial advisory committee for the plan recommended that rates be modified to reflect recent statutory changes in the rating basis of the plan. Proposed changes in these rates were considered at a hearing September 22, 1983, and subsection (5) (b) was repealed and created to establish new rates for the health insurance risk-sharing plan. Effective 1/1/84.

Ins 18.08 Board of Governors (Health Insurance Risk-Sharing Plan).

Due to amendment of s. 619.15 (1), Stats., by Chapter 83, Laws of 1981, Ins 18.08 (1) no longer accurately reflected that statute with regard to appointments to the board of governors for the plan. After consideration at the hearing September 22, 1983, section Ins 18.08 (1) was amended to remove the language which was in conflict with the revised statute. Effective 1/1/84.

ADVISORY BOARDS AND COUNCILS

Wisconsin law, s. 15.04, Stats., provides that heads of independent agencies may create and appoint such councils and committees as the operation of the agency requires. The insurance law, s. 601.20, Stats., authorizes the commissioner of insurance to create advisory councils and committees to assist in dealing with regulatory problems. The commissioner is to provide by rule for the creation, governance, duties and termination of any council or committee which is established. The expert advice provided the commissioner through these councils results in more efficient regulation of the insurance industry to the benefit of insurance consumers and insurers.

The commissioner and staff members also serve on various councils and boards and thus aid Wisconsin residents by providing advice and suggestions on matters related to insurance regulation.

A description of the various councils and boards with which the office of the commissioner of insurance is involved follows:

Insurance Security Fund Board

This board administers the insurance security fund established by Chapter 646, Stats., to provide a mechanism for protecting insureds in the event of liquidation of insurers and to assess the cost of such protection among insurers. The commissioner of insurance, along with the attorney general and the state treasurer, are members of this board and serve with seven representatives of insurers subject to Chapter 646, Stats., appointed by the commissioner upon consideration of the recommendation of insurance organizations.

Wisconsin Retirement Board

The Wisconsin retirement board is created in the department of employe trust funds by s. 15.165 (3) (b), Stats. It is a nine-member board. Seven members represent employers or employees who participate in the Wisconsin retirement system; one is a public member and one is the commissioner of insurance or an experienced actuary in the office of the commissioner of insurance. During 1983 M. E. Van Cleave, Assistant Deputy Commissioner, was designated to serve on this board. The board studies and recommends alternative administrative policies, authorizes and terminates disability annuity payments and approves or rejects administrative rules that relate to participants in the retirement system other than teachers.

Employe Trust Funds Board

The employe trust funds board is authorized by s. 15.16 (1), Stats., with power set out in s. 40.03 (1), Stats. The board authorizes and terminates payments of annuities and benefits under the public employe trust fund chapter; approves the tables to be used for computing benefits under the Wisconsin retirement system; appoints the secretary of the department of employe trust funds; selects and retains an actuary; approves contribution rates and actuarial assumptions; approves or rejects administrative rules proposed by the secretary and has other related powers. Four of the members of this board are appointed by the Wisconsin retirement board. M. E. Van Cleave was appointed January 19, 1982 as one of the representatives of the Wisconsin retirement board on the employe trust funds board to serve for a term to expire May 1, 1986.

Group Insurance Board

Section 15.165 (2), Stats., created a group insurance board in the department of employe trust funds. The commissioner of insurance or designee is a member of the board. The group insurance board is authorized to enter into contracts with insurers to provide the group insurance plans provided for by this chapter or to provide the benefits on a self-insured basis. It also provides general administrative policy for the group insurance programs for health care, income disability benefits, life insurance and deferred compensation plans authorized for state and other public employees under Chapter 40. The specific powers of the board are enumerated under s. 40.03 (6), Stats. During 1983 M. E. Van Cleave, Assistant Deputy Commissioner, was designated by Commissioner Fox to serve as a member of the Group Insurance Board whenever the commissioner was not able to serve.

Council on Fire Service Training Programs

This body, authorized by s. 15.947, Stats., functions under the state board of vocational, technical and adult education, and furnishes advice and guidance to the board in the establishment and maintenance of training programs in fire prevention and protection. The council comprises representatives from the division of emergency government (bureau of civil defense and disaster control), the department of industry, labor and human relations and the office of the commissioner of insurance, together with six members of fire departments appointed by the governor for staggered six-year terms.

During 1983 the commissioner of insurance was represented on this council by Norman J. Wirtz, Insurance Rate and Form Analyst.

Joint Survey Committee on Retirement Systems

This committee performs duties mandated under s. 13.50, Stats. The committee is comprised of two majority party senators, one minority party senator, two majority party representatives to the assembly, one minority party representative to the assembly, an assistant attorney general, a member of the public selected by the governor, the commissioner of insurance or a designated experienced actuary in the office and the secretary of the department of employe trust funds.

This committee evaluates all legislative proposals which would create or modify any system of retirement for public officers or employees. No such bill may be acted upon by the legislature until it has been referred to this committee for preparation of a written report. The report must indicate the probable cost involved; the effect of the proposal upon the actuarial soundness of existing retirement systems; and the desirability of the proposal as a matter of public policy.

During 1983 the commissioner's office was represented on this committee by M. E. Van Cleave, Assistant Deputy Commissioner.

Retirement Research Committee

This committee performs duties mandated under s. 13.51, Stats. Its membership represents employee and employer groups having vested interests in various state retirement programs. The committee has investigatory powers over all state retirement systems for public employees. In addition, it may require any public pension or retirement system to furnish it with periodic financial reports and records. The committee conducts a continuous review of retirement benefits afforded to public employees under the existing state system. It maintains a current reference library of all public employee pension and retirement plans throughout the United States and makes its findings and recommendations available to the governor and the legislature.

During 1983 M. E. Van Cleave, Assistant Deputy Commissioner, served on the committee.

Property and Casualty Advisory Council

This council, created by Wisconsin Administrative Code section Ins 6.79, advises the commissioner on regulatory matters in the areas of property and casualty insurance. The council has four insurance company members, two agent members and three public members. The members who served during 1983 are listed below:

J. Stanley Hoffert, Wausau Insurance Companies, Wausau
Allan Gruenisen, American Family Mutual Insurance Company, Madison
Marvin Abraham, Northwestern National Insurance Company, Milwaukee
Robert Anderson, Viking Insurance Company of Wisconsin, Madison
Glenn G. Onsager, Reitan-Lerdahl and Co., Madison
Karl Stieghorst, CPCU, Vice President, Robert R. Elsner Company, Milwaukee (Chair)
Erna Carmichael, Professor, Department of Community Programs, UW-Milwaukee, Wauwatosa
Roger Formisano, Professor, Graduate School of Business, Madison
Earl Winkelman, Risk and Insurance Management Society, Kenosha

The council and its subcommittees have reviewed arson immunity legislation; motor vehicle insurance liability limits, arson exclusion in property insurance policies, policy provisions regarding subrogation; mortgagees applying property insurance settlements against losses rather than to the repair of loss, integration of insurance, banking and other financial institutions; and changes in administrative rules dealing with inclusions of condominiums in the application of s. 632.05 (2), Stats., requiring total policy limits coverage if a property is fully destroyed and revising and adding major features to the rule which establishes mandatory risk sharing facility for basic property insurance coverage.

Life and Disability Advisory Council

This council, created by Wisconsin Administrative Code section Ins 6.79, provides the commissioner with expertise on life and disability insurance. The council has four insurance company members, two agent members and three public members. The members during 1983 were:

Robert R. Barrow, International General Insurance Corporation, Milwaukee
Brad Wilson, Blue Cross & Blue Shield United of Wisconsin, Milwaukee
Leo Friedel, Time Insurance Company, Milwaukee
Wayne C. Defferding, Aid Association for Lutherans, Appleton
Steven Rukavina, Consolidated Mortgage, Thiensville
R. Waldo Peterson, CLU, New England Mutual Life Insurance Company, Madison
Beverly Henderson, Professor, Family Living Program, UW-Extension, Madison
Ramon Wagner, Community Advocates, Milwaukee
Ralph Andreano, Professor, Department of Economics, U.W., Madison

Most recently the council has considered legislative proposals establishing health maintenance organizations and preferred provider organizations as they relate to health care cost containment and regulation by the insurance commissioner's office. Proposed administrative rules dealing with these organizations were also reviewed by the council.

Proposed legislation for regulation of continuing care institution contracts which include elements of insurance has also been reviewed. The expansion of banks, insurers and securities brokers into each other's service areas and the resulting challenges and problems to regulators has been discussed with the council for advice and suggestions.

Financial Advisory Council

This council assists the commissioner in regulatory decisions in the financial area. The council consists of four insurance company members, two agent members and three public members. The members during 1983 were:

Donald R. Gunderson, Sentry Insurance Company, Stevens Point
S. C. DuRose, Cumis Insurance Society, Madison
George Hardy, Northwestern Mutual Life Insurance Company, Milwaukee
Gordon Bubolz, Home Mutual Insurance Company, Appleton (Chair)
Robert Clayton, Fitzgerald, Noyes, Clayton & Kasten Agency, Milwaukee
Michael M. Nicholson, Stan Mintz Associates, Inc., Madison
Professor Larry Rittenberg, School of Business, University of Wisconsin, Madison
Edward L. Hahn, CPA, Hill Christianson & Co., Marshfield
Don Nolden, Partner, Alexander Grant & Co., Madison

The financial advisory council discussed the requirements of the compulsory and security surplus rule; reviewed draft legislation to regulate third party administrators and multiple employer trusts; considered insurance security fund modifications included in proposed legislation; reviewed continuing care facilities proposed legislation and discussed extensively changes in insurance supervision and insurer operation resulting from expansion of banks, insurers and securities brokers into each other's service areas. The commissioner's office reviewed with the council proposals for reserving for universal life type insurance products and the criteria to permit credit for reinsurance with unlicensed reinsurers. The proposed changes in examination assessment procedures for insurers changing domicile covered in Wisconsin Administrative Code section Ins 16.01 was supported by the council.

COMPANIES IN LIQUIDATION

ALL-STAR INSURANCE CORPORATION, IN LIQUIDATION

During the period since February 28, 1983, the Liquidator reported the status of net liquidated assets as follows:

Assets at March 1, 1983	$7,807,066
Additions, Net of Administrative Expenses	1,635,994
	$9,443,060
Less Claim Distributions	1,896,761
Net Liquidated Assets at December 31, 1983	$7,546,299

In November, 1983, the Liquidator petitioned the Court for its approval to pay a second partial dividend of 10% of the Class 3 amount on claims which had been approved by the Court and also to authorize payment in the future on additional Class 3 claims as they were subsequently approved by the Court. The Court had previously approved a first partial dividend of 25% in September, 1982.

In accordance with the Court's orders approving the Liquidator's Petition for Partial Distribution of Assets, the Liquidator has paid dividends of $5,893,804 as of December 31, 1983 to claimants based on a 35% pro rata share of the Class 3 amount approved by the Court.

There were 55 additional claims filed with the Liquidator since February 28, 1983, bringing the total of claims filed in liquidation at December 31, 1983, to 7,407 distributed as follows:

TYPE	CLASS	NUMBER
Administration	1	3
Wages	2	2
Losses	3	3,650
Unearned Premium	4	2,696
General Creditor	5	1,024
Miscellaneous Subordinated	8	28
Proprietary	11	4
		7,407

Court-approved determinations through December 31, 1983 on Class 3 claims amounted to $17,247,431. A total of 3,650 Class 3 claims were filed against the estate, of which 315 were still unresolved on December 31, 1983.

While the final aggregate asset figure cannot yet be predicted, it is quite certain that there will not be sufficient assets to pay loss claimants in Class 3 in full. As such, claimants in classes other than Class 1, 2 or 3 will not be able to participate in the distribution of All-Star's assets.

The vast majority of claimants in classes junior to Class 3 have been formally notified by the Liquidator regarding their claim. The remainder of those claimants will be notified by the Liquidator in the near future.

The Liquidator is continuing to pursue the recovery of other assets which are due the estate of All-Star. Recoveries are anticipated from reinsurance proceeds, funds on deposit with ancillary receivers, additional suits and through the disposition of furniture and fixtures.

Sufficient progress has been made this past year which enabled the Liquidator to move into smaller quarters in January, 1984, and also to further reduce the size of the liquidation staff. Additional staff reductions will occur in the first quarter of 1984.

MARTELL MUTUAL TOWN INSURANCE COMPANY, IN LIQUIDATION

Martell Mutual was placed in liquidation on August 21, 1980, in the Circuit Court for St. Croix County, Wisconsin. Gary L. Bakke has been appointed Special Deputy Commissioner.

Martell Mutual policyholders suffered windstorm losses of approximately $5,100,000 on July 15, 1980. Inadequate reinsurance and a pre-existing weak financial position resulted in an inability to pay the claims. Martell Mutual policies were assessable. Two assessments were levied totaling $2,925,973. Collections exceed 94%.

Assets were collected and a major lawsuit settled which permitted a refund to policyholders of all unearned premiums and 81% of the second assessment on June 30, 1983.

All claims and expenses of the administration incurred to March 28, 1984, have been paid in full.

Many of the Martell agents have unearned commissions due to the company. All of them have been sued and litigation is pending at this time.

There are miscellaneous assets and claims that need to be finalized before the liquidation proceeding can be closed.

RELIABLE LIFE AND CASUALTY COMPANY, IN LIQUIDATION

The Reliable Liquidation Account, which contains substantially all of the assets and liabilities of Reliable, was created and ordered into liquidation by the Dane County Circuit Court, effective October 7, 1981. The approximately 96,000 guaranteed renewable disability policies in force at the time of liquidation were assumed by the Wisconsin Insurance Security Fund (the "Fund") pursuant to the "continuation of coverage" provisions of Chapter 646, Stats. Mutual of Omaha was retained by the Fund to administer the continued business. By year-end 1983, approximately 28,000 policyholders continued to retain their Reliable policies.

As of year-end 1983, two assessments totalling $10.5 million had been levied by the Fund as a result of Reliable's insolvency.

In June, 1983, six insurance companies who were assessed as a result of Reliable's insolvency filed an action in the United States District Court for the Western District of Wisconsin seeking an order imposing a $250 deductible to be applied against every claim by a Reliable policyholder, a finding that certain provisions of Chapter 646 are unconstitutional and an order enjoining the Fund from paying Reliable claims or making additional assessments. The Commissioner and the Fund contested this action, and following an evidentiary hearing, it was dismissed in September, 1983. A similar action by another assessed insurer is pending, in part before the Fund board and in part before the liquidation court, but is inactive.

The Special Deputy Liquidator's lawsuit against Reliable's former certified public accountants and consulting actuaries continued in 1983. The Special Deputy believes that if Reliable's actuaries and accountants had performed their duties in a competent and professional manner, they would have discovered that Reliable's financial condition began to deteriorate materially in 1978 and that the company was actually insolvent by year-end 1979. If management would have been timely advised of this fact, corrective action could have been taken. Discovery in this lawsuit continues, and as of February 15, 1984, no trial date had been set.

The process of converting Reliable's assets into cash continued in 1983. Sales of various parcels of real estate generated proceeds in excess of $700,000. In June, 1983, securities with a value of approximately $1,000,000 were surrendered to the Liquidator from an escrow account established in January, 1981 by the Iowa Insurance Department.

At present, liquid assets are insufficient to pay a dividend to any creditor lower than class 3. Reports on the status of the liquidation are periodically filed with the Dane County Circuit Court.

WISCONSIN SURETY CORPORATION, IN LIQUIDATION

In the year since January 31, 1983, the Liquidator reported:

Balance 1/31/83	$1,904,477.03
Receipts	297,367.80
Total	$2,201,844.83
Disbursements (including Final Distribution)	2,162,420.06
Balance 1/31/84	$ 39,424.77

The 747 actual claims on file in the liquidation proceeding in Wisconsin total $25,329,420.05, of which 190 Wisconsin claims total $4,378,450.66, after making adjustments for docketed claims which are duplicates of other docketed claims, which amend other docketed claims, and which contain multiple distinguishable claims filed by means of a single document. The status of claims as of 1/31/84:

	PAST 12 MONTHS	CUMULATIVE TOTAL
Wisconsin Claims Withdrawn	0	22
	0	$143,101.73
Total Claims Withdrawn	0	55
	0	$3,976,761.07
Wisconsin Claims Allowed	4	55
	$325,986.54	$2,141,307.54
Total Claims Allowed	7	241
	$555,506.21	$4,144,067.97
Wisconsin Claims Disallowed	0	113
	$(226,179.54)	$2,093,848.40
Total Claims Disallowed	0	451
	$1,990,798.66	$17,208,591.01

Work during the past twelve months included resolution of the issues involving the Texas Ancillary Liquidation, Texas Guaranty Fund, and Texas security deposit; conclusion of the final claims pending before the Liquidation Court; conclusion of claimant appeals from the Liquidation Court; and general administration of the liquidation estate.

Final distribution was made as of December 15, 1983. It was made principally to residents of states other than Wisconsin, Illinois and Texas, since such residents with eligible loss claims had been paid throughout the liquidation by their guaranty funds. The liquidation had made one earlier partial distribution. With this final distribution, 100% of every allowed bond loss claim (class 3) has been paid (except for statutory deductibles). In addition, 100% of every allowed general creditor claim (class 5) has been paid, along with 100% of all other claims allowed in classes 1 through 6. The liquidation also had sufficient moneys to pay approximately $287,000 of class 7 interest claims for claimants in classes 3 through 6. This was one of the briefest surety company liquidations and one of the highest surety distribution prorates to date in the country. Final accounting and discharge are scheduled to take place during 1984.

STATUS REPORT ON BALDWIN-UNITED CORPORATION AND SUBSIDIARIES

On March 14, 1983, The Baldwin-United Corporation announced it could not pay its $440 million loan. The short-term loan had been used to purchase MGIC Investment Corporation (Investment), a Wisconsin Corporation, in early 1982. Investment is the parent corporation for six Wisconsin-domiciled insurance companies including Mortgage Guaranty Insurance Corporation (MGIC), the nation's largest mortgage guaranty insurance writer.

As a result of concerns with the deteriorating financial condition of Baldwin-United, the Commissioner issued supervisory orders on the six Wisconsin-domiciled insurance companies on May 9, 1983. The orders were designed to preserve the existing quality and integrity of the assets, reserves and management of the insurers.

Also a part of the Baldwin-United group of companies are a number of life insurance companies, of which three are presently domiciled in Arkansas and three in Indiana. Two of those companies, National Investors Life Insurance Company (NILIC) domiciled in Arkansas and University Life Insurance Company (University) domiciled in Indiana, are licensed to do business in Wisconsin. The companies specialized in the writing of single premium deferred annuities (SPDAs).

Among the assets of the six life insurance companies are substantial holdings in affiliated companies including (indirectly) MGIC Investment Corporation. The carrying value of other affiliated companies is in question. NILIC and University were suffering losses from the spread between investment interest income and the interest credited to SPDA policyholders.

The Commissioners of Arkansas and Indiana placed the six Baldwin-United life insurance companies, including NILIC and University, in rehabilitation on July 13, 1983, primarily because of the affiliated assets held and the negative interest spread. The rehabilitation placed the companies under the control and direction of the Commissioners. This affected about $3.7 billion of funds of about 400,000 policyholders nationally.

The rehabilitators in Arkansas and Indiana began developing a rehabilitation plan. The National Association of Insurance Commissioners formed the Baldwin-United

Options Committee, of which Wisconsin serves as chair, to assist and participate in the development of a rehabilitation plan acceptable to the regulators of the other states.

The state rehabilitation courts in Arkansas and Indiana held hearings on the rehabilitation plan in January 1984. The rehabilitation courts in both states have now approved identical plans of rehabilitation.

The rehabilitation plan is designed to provide policyholders a number of options to meet their individual needs during the anticipated three and one/half year term of the plan. During the term of the plan, the rehabilitators expect to sell the affiliated assets held by the companies, including the MGIC group of companies.

In preparation for the sale of Investment, a special Masters Commission was established by the rehabilitation courts to oversee the sale. Commissioner Fox chairs the Commission. The Commission consists of the insurance commissioners of Wisconsin, Arkansas and Indiana and representatives of Baldwin-United and the banks that loaned the funds used by Baldwin-United to purchase the MGIC companies.

In addition, the Wisconsin Insurance Commissioner's office as well as a number of other state regulators are investigating the brokerage firms involved in the sale of NILIC and University single premium deferred annuities.

III - DIVISION OF REGULATION AND ENFORCEMENT

OFFICE OF POLICY ANALYSIS

The Office of Policy Analysis (OPA) has several responsibilities.

Included among them are: reviewing and drafting of administrative rules; providing staff support advisory councils and other committees on which the office serves; conducting research on insurance issues; working on legislative analysis; carrying out the public information program of the office; and coordination of applicable office functions and interests with committees and task forces and the National Association of Insurance Commissioners.

Primary emphasis in 1983 was on legislative analysis, particularly of legislative proposals relating to health care cost containment. Some of the specific subjects studied were the tax treatment of employe benefit plans, how to enhance competition in the health market, the problems faced by individuals without access to group coverage, whether large employers should offer their employes a choice of health plans, and a host of questions surrounding health maintenance organizations (HMOs) and preferred provider organizations (PPOs). OPA staff worked closely with the Legislative Council Special Committee on Health Care Provider Systems, which was formed to investigate problems with HMOs and PPOs.

Other projects concerned insurance regulatory aspects of the integration of financial services; continuing care facilities; antitrust issues in health care financing; a proposed state health insurance plan; regulation of third party administrators of health care coverage, particularly with respect to multiple employer trusts. Staff participated in some specialized market conduct examinations and assisted with the financial analysis involved in the liquidation of Reliable Life and Casualty Company.

Issues and projects to be considered in 1984 are: revising the administrative rule requirements for group coverage discontinuance and replacement; reviewing surplus lines regulation, particularly as it applies to disability insurance; reviewing use and regulation of stop-loss insurance; considering revised requirements for life insurance cost disclosure; and continuing review and development of administrative rule requirements for health maintenance organizations and preferred provider agreements and organizations.

There will be continued coordination with the National Association of Insurance Commissioners committees.

HEALTH INSURANCE RISK-SHARING PLAN

The Health Insurance Risk-Sharing Plan (HIRSP), Chapter 313, Laws of 1979, became effective on January 1, 1981. HIRSP is governed by a nine-member board. Through a selective bidding process, Mutual of Omaha was chosen as administering carrier for the plan. The plan provides major medical and Medicare supplement coverage for Wisconsin residents under age 65 who, for medical reasons, are unable to obtain health insurance coverage in the private market.

The plan was originally designed to be self-sufficient, except that for the first three years of operation the statute required that premium rates not exceed 130% of the standard individual rate for substantially similar coverage. Effective July 2, 1983, the statute was amended to eliminate the self-sufficiency requirement and allow premium rates which do not exceed 150% of the standard individual rate for substantially similar coverage. This change was necessary because an estimated 370% rate increase would have been required on July 1, 1984 to make the plan self-supporting. Expenses of the plan in excess of premiums are assessed against health insurers in proportion to the insurer's total premium or other charges on business written in this state on behalf of Wisconsin residents. In 1983, insurers were assessed $2,000,000.

Other changes in the plan which also became effective on July 2, 1983 include the addition of a specific exclusion on coverage for experimental treatment; an increase to six months in the waiting period for coverage of pre-existing conditions; an increase in the amount of charges subject to coinsurance, and a prohibition on governmental agencies paying premium, deductible or coinsurance amounts.

The plan was in full operation on July 1, 1981, and on December 31, 1983 covered 1,798 policyholders.

BUREAU OF FINANCIAL EXAMINATIONS

The principal function of the Financial Examinations Bureau is to monitor the financial condition of all insurers licensed to market insurance in Wisconsin and to ensure the financial solidity of these insurance companies. Part of the financial monitoring includes the review of CPA audit reports filed with the department pursuant to Wisconsin Administrative Code section Ins 16.02.

The bureau also maintains and reviews holding company filings required by Wisconsin Administrative Code section Ins 12.01; reviews financial reports for surplus lines insurers; collects premium taxes; amends certificates of authority; and approves mergers of insurance companies. In addition, the bureau participates in the collection and distribution of fire department dues as required by s. 601.93, Stats.

BUREAU OF RATES AND FORMS

The Bureau of Rates and Forms is responsible for the administration and enforcement of the Wisconsin Statutes relating to insurance rates, underwriting rules, advertising practices and policy forms.

Bureau activities include research projects relating to policy forms, analysis of benefit costs, and underwriting practices and procedures.

Activities in 1983 included:

- developing compliance standards for insurers on subrogation due to recent judicial reviews of policy form language.
- assisting in the development of new agents' licensing examinations for property and casualty insurance.
- developing a computerized logging system for accident and health and property and casualty forms filings.
- studying the development of a computerized reviewing system for life and disability filings based on actuarial principles.
- developing monitoring and approval guidelines of health maintenance organization forms and programs as they were filed for HMO members.
- participating in the residual market mechanisms including the Worker's Compensation Rejected Risk Pool, Wisconsin Automobile Insurance Plan, Wisconsin Insurance Plan and the Health Insurance Risk-Sharing Plan. Staff also participated on the Wisconsin Arson Insurance Council.

BUREAU OF COMPLAINTS AND MARKET CONDUCT

The responsibilities of the Bureau of Complaints and Market Conduct include reviewing complaints and conducting market conduct examinations.

PATIENTS COMPENSATION FUND

The Patients Compensation Fund was created in 1975 to provide excess medical malpractice insurance for Wisconsin health care providers. The Fund is governed by an 11-person Board of Governors which consists of five insurance industry representatives; an attorney named by the State Bar Association; a physician named by the Wisconsin Medical Society; a hospital representative named by the Wisconsin Hospital Association; the Commissioner of Insurance; and two public members appointed by the Governor. The Fund's administrative staff is provided by the Office of the Commissioner of Insurance.

The Fund operates on a fiscal year from July 1 through June 30. Administrative and operating costs as well as claims payments are funded through assessments paid by participating health care providers.

On June 30, 1983, there were 159 hospitals with 37 affiliated nursing homes, 6,832 physicians, 328 nurse anesthetists, and 142 podiatrists participating in the Fund.

Effective July 1, 1980, Chapter 655 was amended to provide that financial reports of the Fund should be on an accrual basis and that reserves should reflect present value (credit for interest to be earned prior to actual payment). The following financial reports as of June 30, 1983 reflect these statutory requirements.

It should be understood that the deficit does not mean the Fund is unable to pay obligations currently due. There was a cash balance of $18,069,000 on June 30, 1983. The deficit equates to the projected unfunded liabilities outstanding if the Fund ceased to collect further assessments.

From July 1, 1975 through December 31, 1983, 761 claims were filed in which the Fund was named. Seventy-four claims had been paid for a total of $23,458,561. Two hundred and forty-seven claims had been closed with no payment. Forty-three cases were reserved for $25,250,000.
